MEMORANDUM FOR: Special Planning Assistant/DDS

SUBJECT : External Training

1. We have identified seven Government-offered courses for which the Agency is given a definite quota and for which we presently do not budget. In order for OTR to budget for these courses, we will have to increase our external training budget approximately \$55,000.

2. It will be necessary for PPB to transfer \$55,000 external training funds from other components to our budget for FY 68. Would you please so notify  It also should be noted that our FY 69 Program Call does not include these additional funds. We, of course, will include them in the FY 69 Office Estimate.

3. We believe the above is in accordance with the guidelines set at our recent meeting with PPB and you on external training budgeting.
